FC Nationals 92 - Season 2007

This season was filled with changes and challenges for the 1992 team. Paul Aikman and Nandy Kremidas replaced Manny and Justin Carvalho as coaches. The loss of a few players to other teams opened up some spots and after tryouts a new team was established.

League

The boys worked hard to develop their skills and learn each other's strengths. Over the course of the season they significantly improved in all areas and began playing more as a team. The first half of the season was filled with losses and it was difficult at times for the players to remain motivated. Their dedication must be praised, and as in most cases, hard work paid off. As the season wore on, the team became more competitive and challenged in most games. We ended the season with 3 wins and 12 losses, scoring 31 goals. Our 10-0 win against Waterloo Thunder was second only to the most rewarding 4-3 win against the Oakridge Red Devils towards the end of the season.

Special mention must be made of the support of the Rose City '92 team. Some of their players turned out for our games on many occasions to help out the team and performed admirably.

In conclusion, although it was a difficult season for the team as we faced change, battled injuries and teenage angst, it was also a season of learning and growth for the players on and off the soccer field. We can proudly say that the skill level improved as we learned from each other. We look forward to the challenge of the next season.

Tournaments

WOYSL U15 KICK-OFF CUP (May)

This tournament served as a good warm up for the season. We competed against 3 of the highly respected teams in the league. Our confidence was boosted by a 2-1 win against the Oakridge Red Devils in the first of 3 games. We played a close second game with Waterloo Thunder losing 1-0 in the final moments. Loss of focus led to a 5-0 loss in the last game against London United Jaguars.

ONTARIO CUP 2007 (August)

Once again we started the tournament with a strong effort and positive result against Niagara, winning 1-0. We went on to lose to Saltfleet and Clarkson.
