Season in Review:

The boys Under 13 team has learned a tremendous amount about competing at the highest level of competition. We are better prepared and look forward to meeting the challenges that await us next season. The coaching staff is very proud to be associated with these young men.

University of Michigan Indoor 3V3 Tournament "Semi-Finalist"

This is the second year our boys have competed in this tournament. These very fast, technical games keep us coming back for more. One of our teams advanced to the Semi-Finals.

Spring 2007-Michigan Premiere 1 Soccer League

This year marked the first time the boys competed in the Michigan Premiere 1 category. The boys were competing against the top teams in Michigan. Little did we know what awaited us this season after such a successful Fall season. Physically we were outmatched by our opponents. The standings did not justify the hard work that was displayed on the fields. This was a great learning experience for the boys, and as a result we were well prepared for the start of the WYOSL league.

WYOSL Early Bird Tournament

Congratulations to the boys for a terrific start to the season. We were undefeated during the first round, which provided us a bye for the second round. During the Semi-Finals, we played against a very skilled and determined Kitchener team, who defeated us 1-0. We defeated this same team from Kitchener the day before. They became the overall champions of the tournament.

WYOSL League

This was our very first season playing in the WYOSL League. We were plagued this season with injuries and a short bench, which resulted in many of the games playing with no subs. Although the team has defeated many of these opponents in the last couple of years at tournaments, we were not able to match their benches. The boys did not give up and played hard game after game.

The great competition the boys experienced, has allowed them to begin planning and preparing for next season. Mentally, the boys grew from this level of play.

Thank You Windsor F.C. Nationals Board for giving these boys the opportunity to play.

Ontario Cup 2007

This year we were granted the rights to host the Ontario Cup. The event ran very smoothly, and was appreciated by all that attended. Our record was 1 win and 2 ties. This was not enough to advance us to the next round. We had to settle for second place.

Final Remarks

A huge thanks to the FC Nationals for giving us the opportunity to play at the highest level.

I would like to thank all of our parents for ensuring that their boys were at the practices and games as scheduled. We are so fortunate to have a group of parents that get along so well in good times and bad. A special note of thanks to Nancy Wilkinson, who assisted me with my duties as Manager, and also to my husband Rodger Beattie.

After four years of coaching the 94 boys team, our coach, **Greg Cazzola** has been accepted into teacher's college. Greg has been the nucleus that has kept many of these boys playing at this level for all of these years. We fondly say good-bye and wish him all of the best. The memories will last forever
