WOYSL League Kickoff Cup Tillsonburg, Ontario

The boys had experienced enough growing pains the first 2 years of this competition but this year was their time to shine. After solid performances against SSM, Cambridge and Tillsonburg the competition would get tougher the next two games. This team was just getting warmed up though and they showed skill, determination and a new found confidence in dominating NorWest and Waterloo to earn the 2009 Kickoff Cup Championship. Well done boys!

Ontario Cup London, Ontario

We were placed in a very challenging group for the tournament stage of the competition. Proving that they can compete and be successful playing very good competition, the boys shone in their two wins against Level 3 opponents in the CSL and SRSL after a disappointing first game against London City where we clearly were not prepared for the task that stood before us. A valuable lesson was learned in pregame preparation. As London City were defending Ontario Cup Champions, a second place finish was satisfying after the opening game loss.

Record: 2-1-1

Windsor F.C. Nationals 0 London City Arsenal 7
Windsor F.C. Nationals 2 Erin Mills 'B' 1

Windsor F.C. Nationals 1 North Toronto Nitros 0

LEAGUE

WOYSL 2009

The team began the 2009 WOYSL season by winning the first five games then earning only one tie in the next two games. The boys then got on a roll again by winning six to go along with a tie for a well deserved seven game unbeaten streak. By their fine play throughout the season the players had earned a first place tie. That NorWest defeated us in penalty kicks in a tie breaker game to earn promotion to OYSL does not diminish the fact that we were undefeated in 4 games against them this year – 2 wins, 2 ties. In all WOYSL competition this season, 20 games, our boys were not outplayed even once by an opponent. That is truly an amazing statistic and an accomplishment only the best can boast, regardless of results. Well done boys!

Record: 11-1-2

TOURNAMENTS

Erin Mills Eagle Cup Mississauga, Ontario

We went to this season ending tournament with only the thought of playing some beautiful soccer after what had been a very rewarding and special season. Doing that proved tough on the Saturday due to the field conditions. The boys played well enough though, to earn a spot in the semi-final Sunday morning against Erin Mills 'A', one of our opponents in last years' Eagle Cup and the 3rd place team in OYSL. Our only pre-game instructions to the boys were to play soccer the best you know how, to not compromise all that you've learned and your belief in yourselves as smart, skillful players. We lost on the scoresheet 4-0 but everybody who witnessed it knows what a well played game it was by both teams. The boys played much better than the score indicated and this group shows time and again that they can play wonderful soccer.

Record: 0-1-2

Windsor F.C. Nationals 1 Mississauga 'B' 1
Windsor F.C. Nationals 0 Erin Mills 'A' 4 (SF)

Windsor F.C. Nationals 0 Erin Mills 'B' 0

COACHES COMMENTS

Entering our third season teaching this group, the coaching staff again didn't set any specific goals in terms of wins and losses. We continued our concentration on improving our skill level, decision making and work rate. There is no short cut or easy path to success, that is, the peace of mind that comes when you've given your best. This group does not take short cuts and are beginning to see what it takes to translate consistent hard work into wins. We are a work in progress; as a team we expect growth in years to come by committing to improving ourselves and each other. Special thanks to Dave, Domenic and Paola for all the help throughout the year and to the parents who supported the team and made sure the boys were at practice and games. To the players, thanks for providing us with wonderful memories of 2009! Looking forward to the 2010 season!
