

Trip To Brazil

It was the best time of my life. I got to go to Brazil, home of my favorite team in the world. I went to Brazil as a member of the Ontario Provincial team for a training camp for two weeks to practice the hardest we can to improve our skills and get better at soccer. When we got to Brazil, the next day we had to start at 7:00 a.m. running, at 7:30 we had breakfast, 9:30 we had practice, 12:30 we had lunch, 3:30 another practice and at 7:30 we had supper, that was our schedule for most of the days we were there. It was soccer, soccer, soccer, and I loved it. We had about three to four days off to go to the mall, go to the museum and learn some history of Beb Horizonte that was the city that we stayed at.

The best thing that happened to me was that our coach got us to go watch two professional games. Cruzeiro (Brazil) vs Unisersidad (Chile) and a classic game between Athletico Minerao and America , a Brazil. We played six games ourselves we lost two and we won four. I got to play against Brazil , the best team in the world. I am so proud out of myself. I'm never going to forget this experience, Hopefully I can get another opportunity like this again in my life. I want to thank all the people that supported me to go to Brazil, I want to thank my family, the FC Nationals Soccer Club, my FC teammates and all the people that supported me . THANK YOU!! I'm never going to forget this.

Cristian Mayorga
90 FC Team

Club Information Available On-line:

Information such as player registration forms, medical release forms, soccer coaching application forms, soccer field locatons, Team Coaching Staff, Executive Board Members, and more can be readily obtained from the Nationals website:
